# HOME MEASURING SERVICE

## OPTION 1:

We will gladly come to your home and measure your child's bedroom. We will note location of doors, closets, windows and heating / air conditioning. While we are there, we will discuss possible room layouts with you.

We then take our field measurements back to the office and re-draw the room in scale. When you return to talk further about the project, we will have a completed scaled drawing of your child's room.

For this service, we require a non-refundable deposit of \$250 per room, which will be applied to your furniture purchase for each room. This service also eliminates the possibility of items not fitting in the room or up the stairs.

## OPTION 2:

Just bring your own measurements into the store, and if we feel necessary, will re-draw the room in scale so we have a good working floor plan of the room. There is no charge for this service. However, you will be responsible for items not fitting up the stairs or in the room.
